We are a leading suppliers and manufacturers of Brass Meter parts Bronze meter parts Gunmetal Meter parts and couplings, and Brass gas meter fittings from our factory in Jamnagar india. We produce by hot pressing hot forging and hot stamping a range of Brass Water Meter nuts and Couplings, Brss gas meter nuts Brass gas meter unions and Gas meter couplings Brass Liners hex Nuts stamped from 1/2" to 2" along with Brass Couplings to suit gas meter fittings. These are offered in CDA 360 CZ 121 DZR Brass with BSPP (british standard pipe threads G and R type i.e. Parallel and taper type). They are finely machined on our latest Suzukia machining centers from Japan. We also make a lot of other Brass DZR brass LG2 Gunmetal and Bronze Components and precision CNC parts to user specs.

Material Grade: CDA 360 Brass , Lg2 Gunmetal Bronze CuZn39Pb3 CW614N CuZn36Pb3 CW603N CuZn40Pb2 CW617N CuZn36Pb3 CW603N CZ124 C36000 Copper Bronze alloys can also be offered.
