**BRASS CONNECTORS ELECTRICAL CONENCTORS BRASS CONNECTOR BLOCKS BRASS ADAPTERS**

We manufacture a wide range of Brass Connectors electrical terminals Connectors Brass Connector blocks for electrical and electronic use. We also supply Brass PCB connectors with close tolerances. These Brass Connectors and electrical terminals are made on Swiss lathes and automatic turning /threading machines. Our range of Brass Connectors and Brass Adapters are supplied to OEMs in 24 countries including USA, UK and Germany.

Our Brass Connector products include (but not limited to):

- Brass Connectors for switches
- Connector blocks neutral blocks for control panels and switch gears
- Connectors Brass inserts for strip connectors of plastics
- Threaded fittings and Brass Threaded Connectors
- Electrical Brass Adapters Conduit Adapters Brass Conduit connectors
- Brass PCB Connectors
- Copper bronze and Brass Electrical connectors Porcelain connectors
- Electronic Brass Connectors
- Brass Connector for earth terminals on Conduit boxes and electrical switch boxes

<b>Application :</b>	Telecommunication, Industries, electronics & electrical industries, Switchgears control panels isolaters enclosures
<b>Connector thread</b>	UNS BSF ISO metric ( MM thread )BA thread, BSW thread, UNC, UNF thread,Any threads as per custom design.

<b>Material</b>	CDA 360 Brass CW614N CuZn39Pb3 C37710 CW617N CuZn40Pb2
<b>Finish of Brass Connector blocks</b>	Nickel Tin plated Silver plated
