3/4"	1 meter, 2meters, 3 meters

We offer DIN 975 Brass full threaded bars Brass Threaded rods 1 meter long Brass studs Brass meter long studding for American and European market. We use high tensile and free cutting Brass rods and thread them using high speed threading machines for various electromechanical applications. We have our own Brass rod extrusion mill controlling the metallurgy of the Brass Studs and Brass threaded rods threaded bars that we produce. We can also offer Brass transformer studs with shorter lengths.
