Precision Brass Components Precision CNC components Precision CNC Brass parts Small Machined CNC parts Screw machine Parts

CNC stands for **C**omputer **N**umerical **C**ontrol and has been around since the early 1970's. We have multiple precision CNC machining centers which we use for precision Brass Components and Precision Brass Turned Parts Precision Brass CNC screw machine parts Brass Tiny components, Brass Small miniature components and turned parts.

We have high speed Swiss auto lathes and CNC machines to produce miniature and small high quality precision CNC machined parts Precision Brass Components Brass CNC machined components. We offer CNC machined and threaded tiny precision components. Our high precision Brass CNC parts are used for industries like medical, instrumentation , Automotive industry, fastening telecommunications, electrical , valves, pumps, electronics etc.

We offer precision Components and Precision Brass Parts like:

- Brass Bushes Threaded machined bushes
- Brass machined nuts
- Brass machined Screws
- Brass moulding inserts plastic inserts
- Brass precision terminals screws
- Precision Brass standoffs spacers
- Precision Brass Machined bolts fasteners
- Brass Balls , Brass Knobs, Brass Finials, Brass Check rings
- Precision Brass Lamp parts Brass Lamp components turned on CNC screw machines
- Brass precision Pins Electric pins Earth Pins

We offer following operations at very close tolerance: _

- Drilling
- Tapping
- Slotting
- Broaching
- Knurling

- Machining
